2. How many years can a mountain exist,
Before it's washed in the sea?
How many years can some people exist,
Before they're allowed to be free?
How many times can a man turn his head,
And pretend he just doesn't see?
The answer, my friend...

3. How many times must a man look up
Before he can see the sky?
How many ears must one man have,
Before he can hear people cry?
How many deaths will it take 'til he knows
That too many people have died?
The answer, my friend...
